

SUBJECT: PE KNOWLEDGE ORGANISER

ACTIVITY: HOCKEY

YEAR: 8

TERM- (AUTUMN) SEPTEMBER-OCTOBER

KEY VOCABULARY

Dribbling+ Reverse Stick	Twisting of the grip to control the ball when it is on the opposite side of the body, demonstrating increased confidence and control
Reverse Stop	Stopping the ball when using the reverse stick, this is taking the ball on the opposite side of the body.
Jab tackle	Making a tackle when the stick jabs towards the ball without making contact with the player.
Creating space	Moving off the ball to influence defender, therefore creating more space for team mates to move into to receive the ball.
Shooting	Hitting the ball and striking it towards the goals of the opposition, showing more consistency of aiming for the goal and making the goalkeeper save the ball.

KEY QUESTIONS

- Why is it a disadvantage to play on your weak side?
- How do you make a successful shot in hockey?
- When and how would you use a jab tackle in a game?
- How can players without the ball help the player with the ball?
- When umpiring a small sided game of hockey what would be the key rules you would use to keep the game safe?
