

# MASTERCLASSES FOR YEARS 5 & 6

INSPIRE  
BELIEVE  
ACHIEVE

If your child enjoys the rigour and challenge of learning, and you're looking for opportunities to enhance their learning and progress - then look no further!

The Oaks Academy is supporting aspirational local children in developing their skills as inquisitive learners. We are offering a range of Masterclasses in the core subjects that are designed to allow them the opportunity to explore and develop subject specific concepts in depth.

## English Masterclasses for Years 5 & 6

Our masterclass workshops are intended for Year 5 & 6 students from our local feeder primary schools to help develop their creative writing skills. Over a 12-week period students will develop and extend their writing. Each week, students will build another element to their creative writing with their own individual challenges along the way. Workshops begin on Wednesday 12th January and run for 6 sessions on the dates and times below. Students can attend as a group booking from one school or as individuals who have a passion for developing their writing.

| Sessions                |               | Creative Writing Schedule  |
|-------------------------|---------------|--|
| Wednesday 12th January  | 3.30 - 4.30pm | Welcome - Introduction to The Oaks Academy<br>Creative Writing Masterclasses - Setting the Scene |
| Wednesday 26th January  | 3.30 - 4.30pm | Introducing a problem  |
| Wednesday 2nd February  | 3.30 - 4.30pm | Intensification  |
| Wednesday 16th February | 3.30 - 4.30pm | Crisis   |
| Wednesday 2nd March     | 3.30 - 4.30pm | Adjustment   |
| Wednesday 16th March    | 3.30 - 4.30pm | Resolution<br>Presentations and feedback   |

## Maths Masterclasses for Years 5 & 6

Maths masterclasses are offered to support your most inquisitive Mathematicians in Year 6, and take place every other Friday at The Oaks Academy during the school day. Students work together to problem solve and discover a range of different mathematical ideas such as Pascal's triangle, Algebra and decision maths. Year 6 students would need to commit to attending on a regular basis from October until March. After the Easter Holidays we will offer a masterclass to pupils from Year 5. Students can attend as a group booking from one school or as individuals, permission from the school would need to be obtained as sessions take place during the school day.

## Year 6 Masterclass Dates

1st October, 15th October, 5th November, 19th November, 3rd December,

No Master class on 17th December (last day of term)

14th January, 28th January, 11th February, 4th March, 18th March, 1st April ( final masterclass for Year 6)

## Year 5 Masterclass Dates

29th April, 13th May, 27th May, 17th June, 1st July , 15th July

## Science Discovery Crest Award

Are you looking for an exciting Science project for a budding Scientist? The Oaks Academy are looking for local Year 5 & 6 students to get involved in studying for a CREST Discovery Award, which is designed to engage and inspire a wide range of students in STEM activities. These after school sessions will run for a 6-week block with 10 students from one primary school working alongside 10 of our Year 7 aspirational scientists. In the session students will work collaboratively to research and produce a model to solve a problem, which will culminate in a shared presentation. The students who successfully complete the project would receive a personalised Crest discovery award certificate.

For more information on CREST Discovery Award, please visit:

<https://www.crestawards.org/crest-discovery>

6-week blocks can be tailored to suit the needs of individual schools

## Contact or more information

For more information on any of the above or to book a place on the workshops please contact: Emily Abberley at the Oaks (eabberley@theoaksacademy.co.uk)
